**CARD OF THANKS**

**Thank You!**

The Adirondack Harley Run would like to thank the Local Police Department and the State Troopers for helping us to have a safe and successful parade and weekend event.

Beard

**THANK YOU!! THANK YOU!!**

A resounding thank you to the Tinman volunteers and staff for yet another excellent race! Without your dedication and service Tupper Lake could not host this challenging competition that has become a favorite among triathletes. Racers and spectators alike give Tupper Lake's Tinman Triathlon high praise for the fine quality of competition and community's hospitality. The entire community and surrounding region receive a significant economic benefit from the athletes and their families and friends who visit our area to attend the Tinman which has successfully completed its 27th annual race. Without the generous participation of the many volunteers and the dedicated expertise of the Tinman race director and staff this would not be possible.

Sincerely  
 Marti Mozdzier  
 Executive Director
